This year we are having three sessions: **Spring, Early Summer and Late Summer.**

**Tournaments:** In all of our sessions, there will be an end of season tournament for the 6's league. THESE ARE INCLUDED IN YOUR FEES. All teams, regardless of record will be invited to participate. This will be a blast and everyone will leave with a prize! How you finish during league play will determine your seed in the tournament. Winners of the end of the season tournament will receive a FREE team for the next session along with a team party where everything is on us!!! Remember that during tournaments you may only participate on one team and due to the popularity you may only put one team in all of the events.
